

## 2019-2020 SNOW SPORTS PROGRAM AT OTIS RIDGE SKI AREA

The PTA is pleased to announce that the Otis Ridge Ski Area is offering a six week special snow sports program on Wednesday evenings from 4:00-9:00 PM for our students from **age 6 thru grade 6** and their families. Lessons are from 6:00-7:30 for weeks 1 and 2, from 6:00-7:00 for weeks 3 thru 5. Week 6 is an open ski night with no ski lessons. Lessons start promptly at 6P so if you are renting equipment, give yourself at least 30 minutes to get ready before class time. The program will run from Wednesday Jan 8, 2020 thru February 12. Adults – you are welcome to participate if space allows but keep in mind that the lessons are geared to children and there are no separate adult classes.

The cost per participant is \$70 for a lift/lesson/rental program, \$50 for lift/rental only. **There is no discount for season passholders.** Ski lessons are available for skiers age 6 and up, snowboarders age 8 and up. The snowboard class will be for beginners only and will be on a first come/first served basis.

## **CANCELLATION POLICY**

The Ridge does not cancel program nights because of the weather – if it's too hot, too cold, raining, snowing, etc. The program runs as long as we have appropriate terrain open that can be skied safely. If there is no school, the program will still run. You are piggy-backing on the FRRES program and there will be times when the FRRES PTA will decide for whatever reason to cancel a night. You will be notified if that happens so it is important that we have email contact information. In this case we will do our best to do a make-up night with lessons but cannot guarantee it. If we need to cancel

because of lack of terrain, we will make up the night at the end of the program.
