

## 2023-2024 SKI PROGRAM AT OTIS RIDGE SKI AREA

Join your friends this year at Otis Ridge Ski Area for a six week ski/ride program for homeschooling families. Adults – you are welcome to participate in the lesson if space allows but keep in mind that the lessons are geared to children and there are no separate adult classes. All classes on Wednesday and Thursday are for skiers age 6 and up, snowboarders age 8 and up and on a first come, first served basis. No age exceptions. Registration will open on 9/25 - heads up that last year all lessons were sold out within 3 days.

Staffing is an ongoing issue for the lesson portion of all school programs. Be aware when you register that depending on staff availability we may have to change the number of students we can handle. Be sure you register early if a lesson is important to you – if we cannot bring in enough staff and have to cut registrations, it will be last registered/first cut.

Attendance is an important component of the lessons. If a student misses more than 2 consecutive lessons for any reason, he/she will be dropped from the lesson portion of the program without compensation.

**Program** time = 9:30A – 4:00 P
