

2023-2024 SKI PROGRAM AT OTIS RIDGE SKI AREA

Join your friends this year at Otis Ridge Ski Area for a six week ski/ride program All classes are for skiers age 6 and up, snowboarders age 8 and up and on a first come, first served basis. **No age exceptions.**

Staffing is an ongoing issue for the lesson portion of all school programs. Be aware when you register that depending on staff availability we may have to change the number of students we can handle. Be sure you register early if a lesson is important to you – if we cannot bring in enough staff and have to cut registrations, it will be last registered/first cut. **New this season – because of our staffing issues, we have made the difficult decision to start registration with only skiing levels 1-5. Any level 6+ skiers who would like a lesson can request to be on a waitlist and we will teach that level if we can do it (first come first served based on the time of the request) and still give the new skiers what they need.**

Attendance is an important component of the lessons. If a student misses more than 2 lessons for any reason, he/she will be dropped from the lesson portion of the program without compensation.

All registration must be done on-line (<https://otisridge.com/wednesday-night-program-frrsd/>). Registration will open on 10/30 and will remain open until 12/4 or until classes are full, whichever comes first.

Program time = 4P til 9P Wednesday January 3, 2024 thru February 7.

Lessons are for skiers age 6 and up, snowboarders age 8 and up. The snowboard class may be for level 1 only and will be on a first come/first served basis. Classes start promptly at 6P – if you are renting equipment, give yourself at least 45 minutes to get ready (1 hour the first week).
